BEVO™ BEARINGS

Bevo™ bearings are engineered and manufactured to surpass the quality of standard bearings. Only Chrome Steel races and retainers are used in the manufacturing of Bevo™ Bearings. The quality and characteristics of Chrome Steel not only dramatically increases the life of your bearings, it also assures maximum performance resulting in a faster smoother ride. Our custom DEEP Groove Channel stabilizes the roll, reducing vibration and roll resistance. Only self channeling synthetic lubricants are used in Bevo™ bearings. You can rest assured when riding on genuine Bevo™ Gold or Silver rated bearings, you will maximize your performance.

WARRANTY

Skates are warranted for 90 days from the date of purchase against factory defects. Normal wear or abuse is not to be considered as defective.

These skates are not designed for Rental or Commercial use. Warranty is voided if used for Rental or Commercial use.

Roller Derby® reserves the right to repair or replace the skate if determined to be defective.

Skates can be sent back to Roller Derby® (freight prepaid) for inspection. The original retail receipt and a written explanation of proposed defect must accompany the return. If the skate is determined to be defective, Roller Derby® will return the repaired or replacement skate to the sender (freight prepaid).
